The filing of this Information Disclosure Statement is not a representation by the undersigned as to personal knowledge of the contents of every word or phrase of the material enclosed or that reliance on other suitably trained professionals has not been made.

If a search report of a searching agency is enclosed identifying the nature of the relevance of each document, such a designation is deemed to satisfy 37 C.F.R. § 1.98(a)(3) even if in a foreign language because the codes are the same in all languages. However, applicant(s) does not necessarily adopt the position reflected by that report.

The enclosed abstract of JP 62020309 shows heating of a gas before it enters a chamber. However, the gas is not a reactive gas but an ambient gas, the object being to avoid cooling by the ambient gas of a wafer placed in the chamber. In addition, the teaching of JP 62020309 is to pre-heat the gas at a higher temperature than that required in the chamber.

The Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 23-0804. Triplicate copies of this letter are enclosed.

Respectfully submitted,

ERIC SION, ET AL.
